NOTE: The column "City/County Bought For" is what the City/County had to pay when the deed went into the City/County's name. These taxes and fees are still due and payable. This is not the City/County's selling price. You must check for additional taxes and/or delinquent taxes due with Chancery Court, (731) 423-6071, current taxes due with County Trustee, (731) 423-6027, and City Recorder, (731) 425-8210. Then determine your offer price.

Parcels below being held for Community Redevelopment Agency (C.R.A.)

An offer on the parcels held by CRA cannot be accepted until CRA has been notified and they advise they will release for an offer to be made. They may not agree to release. They may ask to meet with you for discussion of your intent for the parcel before consideration can be given.
