Director

**ORDER NO. 1 OF THE JACKSON-MADISON COUNTY REGIONAL HEALTH
DEPARTMENT EFFECTIVE APRIL 30, 2020**

WHEREAS, a novel coronavirus, which causes the disease COVID-19, has spread through the world and has now been declared a global pandemic by the World Health Organization; and

WHEREAS, on March 12, 2020, Tennessee Governor Bill Lee declared a State of Emergency to deploy additional resources to combat the spread of the virus, and on March 13, 2020, and President Donald Trump declared a National Emergency over the coronavirus pandemic; and

WHEREAS, Governor Lee has issued Executive Order No. 30, which, among other things, provides instruction for the operation of businesses during the COVID-19 global pandemic; and

WHEREAS, Executive Order No. 30 further provides that, notwithstanding the directives contained in said Order, the Regional Health Department located in Madison County, Tennessee is authorized to issue additional orders or measures related to the containment or management of the spread of COVID-19, which may permit to a greater degree, or restrict to a greater degree the opening, closure, or operation of businesses, organizations, or venues in Madison County; and

WHEREAS, Executive Order No. 30 further provides that, except to the extent the Regional Health Department located in Madison County, Tennessee issues particular orders or measures which differ from those contained in Executive Order No. 30, said Executive Order No. 30 shall govern in Madison County on all matters addressed in said Order; and

WHEREAS, since the State of Emergency caused by the global pandemic has been realized in Madison County, Tennessee, the Regional Director of the Jackson-Madison County Regional Health Department has met daily with local leaders to address the local response to the pandemic. These meetings have included local leaders in government, health care, business, and non-profit communities in order to form a coordinated local response to COVID-19; and

WHEREAS, collectively, these local leaders agree with issuing certain orders specific to Madison County, Tennessee,

NOW, THEREFORE, I, Kim Tedford, Regional Director of the Jackson-Madison County Regional Health Department, pursuant to the laws of the state of Tennessee and the Tennessee Governor Bill Lee's Executive Order No. 30, do hereby order as follows:

1. Effective at 12:01 a.m. on May 4, 2020, gyms, fitness/exercise centers, or substantially similar facilities, shall be permitted to open to usage by members of the public.
 - a. ERG Guidelines. Gyms, fitness/exercise centers, or substantially similar facilities, are expected to operate in accordance with, and to fulfill the spirit of, applicable operational guidance and measures adopted and/or issued by the Governor's Economic Recovery Group (ERG), which are available at the following web address and may be periodically updated: <https://www.tn.gov/governor/covid-19/economic-recovery.html>. If a gym, fitness/exercise center, or substantially similar facility does not operate in a safe manner, or if health outcomes demonstrate that a particular business or industry sector is unable to be operated in a sufficiently safe manner, the Jackson-Madison County Regional Health Department may issue additional health and safety orders as may be appropriate under the circumstances.
2. Effective at 12:01 a.m. on May 4, 2020, the businesses listed below shall be permitted to open to usage by members of the public, provided that these listed businesses are expected to operate in accordance with, and to fulfill the spirit of, such applicable operational guidance and measures as are adopted and/or issued by the Governor's Economic Recovery Group (ERG), which guidelines are periodically updated and available at the following web address: <https://www.tn.gov/governor/covid-19/economic-recovery.html>. If a business listed below does not operate in a safe manner, or if health outcomes demonstrate that a particular business or industry sector is unable to be operated in a sufficiently safe manner, the Jackson-Madison County Regional Health Department may issue additional health and safety orders as may be appropriate under the circumstances. These businesses are as follows:
 - a. Barber shops;
 - b. Hair salons;
 - c. Waxing salons;
 - d. Threading salons;
 - e. Nail salons or spas;
 - f. Spas providing body treatments;
 - g. Body-art facilities or tattoo services;

- h. Tanning salons; or
 - i. Massage-therapy establishments or massage services.
3. Except for the specific directives in this Order No. 1 of the Jackson-Madison County Regional Health Department, Madison County, Tennessee continues to be governed in all other aspects by Governor Lee's Executive Order No. 30.

DECLARED this 30th day of April, 2020.

Kim Tedford
Regional Director
Jackson-Madison County Regional Health Department
